

Abdullah Sayar, IT Manager

KARAKURT MAH. GÖÇMENLER SK. NO: 11, Manisa/Kırkağaç, 45700, Türkiye 05054105848, abdullahsayar@outlook.com

PROFILE

I am a professional with a background in Computer Technologies, experienced in **computer hardware, maintenance, and repair**. I have beginner-level knowledge in **HTML5, CSS, and PHP**, and I am continuously improving my skills in web technologies. I closely follow the latest technological advancements and aim to enhance my expertise in **hardware and software integration, system maintenance, and network management**. For five years, I worked as a **winding technician at Vansan and Ebara Corporation**, where I gained significant experience in **planning, production, inventory management, technical analysis, and process management**. I am a **team-oriented, analytical, and solution-focused** professional. My career goal is to specialize in **information technologies, system administration, and web development**, achieving a professional level in the field while continuously enhancing my skills.

EMPLOYMENT HISTORY

Jul 2017 — Jul 2018 Hardware Repair, Kaynak Bilgisayar İzmir

I enhanced my expertise in **computer hardware repair and maintenance** at **Kaynak Bilgisayar**, where I further developed my **hardware troubleshooting, system diagnostics, and technical support** skills.

Sep 2019 — Jul 2024 Winding Technician and Operator, Vansan, Ebara Corp. İzmir

As a **Winding Technician and Operator**, I gained experience in **production, planning, inventory management, water technologies, and environmentally friendly technologies**. I had to leave the position due to **military service obligations**.

EDUCATION

Sep 2015 — Jun 2019

Konak Çınarlı Mesleki ve Teknik Anadolu Lisesi İzmir

During my high school education in **Network Administration**, I developed my knowledge in **network systems, network topologies, and IT infrastructure**. Additionally, I enhanced my skills in **computer hardware, maintenance, and repair** during this period.

Sep 2020 — Jan 2025

Anadolu Üniversitesi | Web Tasarım ve Kodlama İzmir

I completed my degree in **Web Design and Coding** through an open university program, allowing me to develop expertise in this field while simultaneously gaining experience in various industries. During this period, I enhanced my skills in **web technologies, front-end development, and problem-solving**, contributing to my professional growth.
